The board is currently performing a thorough review of all operations. This may mean some price increases to ensure we are operating with profit margins that will aid the ongoing profitability. These will take effect immediately as we are moving into our busy time with lots of Christmas parties.

A couple of other changes have already been confirmed.

- The December 2nd chance draw will be the last one. So come and get your tickets at the Friday or Sunday raffles for your chance to win a portion of the \$500 prize at one of the .
- The early bird raffle on Friday’s will now commence at 6pm, with tickets on sale from 5.30pm.
- The members draws will be held on Friday around 7.15 and the second draw at 8pm.
- There will be one membership draw on Sunday with the raffle at 5pm.
- Club Membership fees will remain at \$5 while bowling membership will be \$100 for 2025.

The board is also in the process of drafting EOI for Amalgamation to be submitted to clubs NSW for promotion to clubs around the state. This will be submitted before the end of the year. EOI received will be reviewed and where necessary special meetings held to discuss any amalgamation offers.

The board is happy to receive constructive feedback and we appreciate that some decisions will not please everyone. Constructive feedback can be given to the Board in letter form or by requesting a chance to speak to the board. Please remember that board are all volunteers, who have taken positions on the board to help ensure we have a club to visit and bowl at and enjoy and use these methods rather than venting any frustrations in other non-constructive ways.
